

Enabling EDIE

Enabling EDIE (Educational Dementia Immersive Experience) is an immersive workshop that enables participants to see the world through the eyes of a person living with dementia. Using our virtual reality technology, this workshop enhances your knowledge of dementia while exploring strategies to support a person with dementia to live more confidently.

You will gain knowledge in:

- The perspective of someone living with dementia.
- Identifying support needs in partnership with the client and their carer.
- Developing a dementia support plan that focuses on enabling a person living with dementia.

Suitable for:

Staff in various care settings providing support to people living with dementia.

When:

Thursday 20 June 2024
10.00am - 1.00pm

Where:

Quality Hotel Wangaratta Gateway,
29-37 Ryley Street, Wangaratta, VIC, 3677

This event is supported by funding from Murray PHN through the Australian Government's PHN program.
