

COMMUNITY OF PRACTICE EVENT FOR GPs and GP registrars

Osteoarthritis of the knee – diagnosis to arthroplasty | Shepparton

GPs and GP registrars are invited to come together to enhance skills and knowledge in managing osteoarthritis in the knee. Join colleagues for an evening of education and networking.

Date: Thursday 4 December
Time: 6.30 – 8.30pm, dinner included (attendee check in from 6.15pm)
Where: Quality Hotel Parklake Shepparton,
Register: Register to attend [here](#) or use the QR code

Presenter

Mr Alasdair Thomas, Orthopaedic surgeon at Shepparton Orthopaedics

Learning outcomes

1. Perform a targeted examination of the knee
2. Develop a patient-focused management plan for knee osteoarthritis using current evidence

Details on Murray PHN resources including HealthPathways, digital health, general practice support and the AGPT Workforce Planning & Prioritisation program will also be shared.
