

ESSENTIALS OF PRIMARY HEALTH CARE WORKSHOP

ESSENTIALS OF PRIMARY HEALTH CARE WORKSHOP | BENDIGO

When	Thursday 28 May 2026, 9am – 5pm
Where	Quality Hotel Lakeside, 286 Napier Street, Bendigo
Audience	Primary healthcare nurses
Cost	This event is provided at no cost by Murray PHN. Morning tea and lunch provided.

Primary healthcare nurses at any career stage are invited to a full day workshop to enhance knowledge and skills in key areas of practice. Delivered by Nurse Educators from the Australian Primary Healthcare Nurses Association, the workshop will provide practical skills and latest knowledge to support high-quality, patient-centred care in primary care settings.

Key topics include:

- chronic condition management
- immunisation
- clinical assessment and triage
- wound management
- infection prevention and control
- professional practice
- Australian health care system.
